Apprenticeships are increasingly recognised as the gold standard for work-based training. Already, more than 130,000 employers offer Apprenticeships.

Apprenticeships are the equivalent to 5 good GCSE passes. Apprentices work towards work-based learning qualifications such as an NVQ Level 2, Key Skills and, in some cases, a relevant knowledge-based qualification such as a BTEC. These provide the skills you need for your chosen career and allow entry to an Advanced Apprenticeship.
